PROCEEDINGS OF THE CONGREGATION

According to public notice previously given the congregation met in the Brick Church on the 20th of May 1839 for the purpose of considering the propriety of repairing the church edifice.

Daniel Albright was called to the chair, and the Rev. John H. Crawford appointed secretary. The Rev. George A. Leopold was invited to take a seat as an advisory member.

The object of the meeting being made known it was resolved that the congregation should resolve into a committee of the whole and the members shall be at liberty to leave their seats in order to examine the church edifice and that they again take their seats in half an hour after having inspected the building the members taken their seats. The President desired to be relieved from the duties of the chair inasmuch as he experienced a difficulty in hearing the members speak. His request was granted and the Rev. George A. Leopold was called to fill his place.

The members were then called upon respectively to express their opinions concerning the subject under consideration. They all concurred in the opinion that the shattered condition of the walls render it necessary to rebuild the house whereupon it was unanimously resolved that the walls shall be taken down to the foundation; that the roof shall be supported in its present position by such means as may be deemed most practicable; that the walls shall again be erected on their present site so that they may again come in proper conjunction with the roof; that the walls shall be built the length of two bricks in thickness below the gallery and one and one half above; that the gallery shall be put up lengthwise in the house sloping towards the center, seven feet high in front, ten feet wide at the sides and sixteen at the end; and that a building committee shall be appointed.

The following persons were ~~then~~ appointed to constitute the building committee; Daniel Albright, John Clapp Sr. Daniel Faust, Daniel Clapp and Abraham Clapp.

A subscription paper was then handed around and \$561.00 was forthwith subscribed.

The congregation adjourned Sine Die.

J.H. Crawford, Secretary.

Proceeding of a meeting held on the 20th of April 1840.

According to notice previously given the congregation met at the Brick Church on the 20th of April 1840

The meeting was organized by calling Col. Daniel Clapp to the chair and appointing W.A. Carrigan secretary. It was moved and seconded and carried that the Rev. Mr. Fritchey take his seat as

an advisory member which he accordingly did. Moved and seconded that the house be built one story high and ten feet longer. The motion was lost.

A motion being put whether the members will sustain the commissioners in any expenses they may incur farther than the amount of the present subscription in pulling down and putting and securing the walls of the house. The vote being put, those present unanimously agreed to sustain the commissioners in proportion to the present amount of their subscription.

The congregation adjourned Sine die.

W.A. Carrigan, Secretary.
